

SATURDAY: Mississippi Science Fest Activities @ MMNS

INSTRUCTIONS: Try our fun water activities (inside the museum and out) and get stamped for each activity completed. If an activity station is occupied by another group, or is temporarily closed, try another nearby station and come back later. Once this card is full, all of the Science-fest activities at the Mississippi Museum of Natural Science are completed! Do as many as you can during your visit, but don't worry if you can't get to them all. Unless specific times are listed below in **blue**, all activities @ MMNS run from 9am-4pm.

To find an activity's location, (EX: NASA)—flip this card over.

In the event of rain, outside stations will shut down temporarily.

****MS Science Fest participants receive an admission wristband. Show the wristband to use the trolley and visit all MSF museums****
